

How to Look Good in Skype Interviews

PRE-INTERVIEW CHECKLIST

Sound

- Enough “stuff” in room to absorb/deflect sound
- No loud noises in background

Location

- Background is appropriate
- Nothing distracting in background
- Camera height at eye-level
- Camera about arm’s length away
- Eyes two-thirds of the way from bottom of frame

Lighting

- Window or lamp in front of you
- No strange shadows
- No bright overhead lighting

You

- Dressed appropriately
- Put on makeup

Remember

- Look directly at the camera
- Keep your head and body reasonably still
